

**Annexure-III**

**New Delhi**

**04.09.2006**

**CONTROLLING/MANAGING QUALITY OF PESTICIDES**

**SECTION / RULES REFERRED IN THE PRESENTATION**

**Insecticide Act 31 (1)**

"No prosecution for an offence under this Act shall be instituted except by, or with the written constant of, the State Government or a person authorized in this behalf by the State Government."

**Insecticide Rule 9 (4A)**

No license to manufacture an insecticide shall be granted unless the licensing officer is satisfied that necessary plant and machinery, safety devices and first-aid facilities, etc., exist in the premises where the insecticide is proposed to be manufactured.

**Insecticide Rule 12.**

Conditions of licence

- (a.) Subject to conditions laid down in sub-rule (3) of rule 9, under sub-rule (4) of rule 10, a licence shall not be granted to any person under this chapter unless the licensing officer is satisfied and the premises in respect of which licence is to be granted are adequate and equipped with proper storage accommodation for avoiding any hazards for preserving the properties of insecticides in respect of which the licence is granted.
- (b.) In granting a licence, the licensing officer shall have regard, among other things to
- i. The number of licences granted in the locality during any year; and
  - ii. The occupation, trade or business carried on by the applicant.

**Insecticide Rule 28.**

Duties of Inspectors specially authorized to inspect manufacture of Insecticides

It shall be the duty of any Inspector authorized to inspect the manufacture of Insecticides:

1. To inspect not less than twice a year all premises licensed for the manufacture of insecticides within the area of his jurisdiction and to satisfy himself that the conditions of the licence and the provisions of the Act or the rule made there under are being observed.
2. To send forthwith to the licensing officer after each inspection, a detailed report indicating the conditions of the licence and the provisions of the Act or rules made there under which are being observed and the conditions and provisions, if any, which are not being observed
3. To draw samples of insecticides manufactured on the premises and send them for test or analysis in accordance with these rules.
4. To report to the government all occurrences of poisoning.
